Joining Alaska’s Professional Learning Network (AkPLN)

1. Go to www.teachingchannel.org and click on SIGN UP in upper right corner

2. Make sure that Kathy Blanc (kblanc@alaskaacsa.org) or Tammy Morris (tmorris@alaskaacsa.org) has the same email address, and has entered it into the AkPLN team.

3. The next time you go to www.teachingchannel.org select SIGN IN in the upper right corner.
When you SIGN IN now you will automatically be in the AkPLN site. AkPLN still has all of the resources found in the Teaching Channel, but it is our “walled garden” within the Teaching Channel site that is only for educators in Alaska. The home page will now have the AkPLN logo instead of the Teaching Channel logo in the upper left corner.

What next?

• You can explore resources in the “Deep Dives” or “Videos” section by clicking on those items in the top menu bar, and/or by entering a topic into the search bar.
We have over 50 Learning Pathways in ELA and Math available that were developed for educators in Alaska.

Check out our short overview video on the Pathways: https://youtu.be/a8r8Pjjvzyo
• You can create your own private group, just for your team.
• Check out a short overview of how to create a group here: https://www.teachingchannel.org/videos/create-a-group

Please contact Tammy Morris tmorris@alaskaacsa.org or Kathy Blanc kblanc@alaskaacsa.org with any questions or help getting started.

Thank you for your interest in AkPLN!
